A screenshot of the 'Facility Blood Supply Input' form. The form is titled 'Facility Blood Supply Input' and 'Facility: ARLINGTON REHABILITATION HOSPITAL'. It contains several sections for data entry: 'Packed Red Blood Cells (RBCs)' (Red section), 'Fresh Frozen Plasma (FFP)' (Blue section), 'Platelets' (Grey section), 'Other Types' (Green section), and 'Facility Details' (Black section). Each section has input fields for different blood types (A+, B+, AB+, O+) and other relevant data. At the bottom, there are 'Save Changes' and 'Cancel Changes' buttons circled in red.
